■ Firefighters receive training AILA International CSI

Aeropuertos Dominicanos Siglo XXI (Aerodom), committed to staff training, presented certificates of participation to a group of 37 firefighters Unit Rescue and Fire Fighting (RFFS) Las Americas International Airport-JFPG (AILA) who successfully completed training of 320 hours.

The training, which aimed to leverage and strengthen the capabilities and skills of firefighters AILA based on the guidelines of NFPA 101 and 1003, was conducted by CSI International, an American company with a solid background and experience in training search and rescue, including fighting fires.

The certificate presentation ceremony was attended by Director General of Aerodom, Andrew O'Brien, the Director of the AILA, Raul Berroeta, as well as the President-Executive Director and Manager for the Dominican Republic of CSI International, Anthony and AB Piegario Ravelo, respectively. Instructors Michael Villamarin, Carlos Reyes and Javier Perez.

The Director General of Aerodom, to congratulate the first class of firefighters have completed the course, stressed his responsibility, effort and dedication to achieve this goal.

Also, O'Brien praised the efforts of the Director of Human Resources, Laura Lirola, the Director of the AILA, Raul Berroeta, the Unit Manager of Search and Rescue Services (RFFS), Manuel Real, and Training Manager & Organizational Development, Julie Ruiz, that the team received AILA RFFS of the said training.

President and CEO of CSI, Anthony Piegario, expressed pride in having fulfilled the training expectations, as this institution put all his dedication, while firefighters gave 100% of their time and expertise.

At the event, also spoke Chief RFFS Park Station, Antonio Ramírez, on behalf of firefighters, who thanked the administration and instructors Aerodom CSI International for taking the time and effort into the exercise.
