## Firefighters receive training AILA International CSI

SANTO DOMINGO.- Aeropuertos Dominicanos Siglo XXI (AERODOM) presented certificates of participation to a group of 37 firefighters Unit Rescue and Fire Fighting (RFFS) Las Americas International Airport (AILA), who successfully completed a training 320 hours in duration.

Training, which aimed to leverage and strengthen the capabilities and skills of firefighters AILA on the basis of the guidelines of NFPA 101 standards and 1003, was delivered by CSI International, an American company with a solid background and experience in training search and rescue, including fighting fires.

The certificate presentation ceremony were the director general of Aerodom, Andrew O'Brian, The director of AILA, Raul Berroeta, as well as the president and chief executive director for the Dominican Republic of CSI International, Anthony Piegaro and AB Ravelo, respectively. Also, trainers Michael Villamarin, Carlos Reyes and Javier Perez.

The Director General of Aerodom, to congratulate the first class of firefighters have completed the course, highlighted the responsibility, effort and dedication to reach this goal.

Also, O'Brian praised the efforts of the Director of Human Resources Laura Lirola, The Director of the AILA, Raul Berroeta, the Unit Manager of Search and Rescue Services (RFFS) Manuel Real, And the Manager of Training & Organizational Development Julie Ruiz So that the team received AILA RFFS of the said training.

The President and Executive Director CSI, Anthony Piegaro, expressed pride in having fulfilled the training expectations, as this institution put all his dedication, while firefighters gave 100% of their time and capacity.

At the event, also spoke Head of Park Station RFFS, Antonio Ramirez, on behalf of firefighters, who thanked the administration and instructors Aerodom CSI International for taking the time and effort into the exercise.
